

The Locker Game

How to play:

1. **Click** on  Play to start the game.

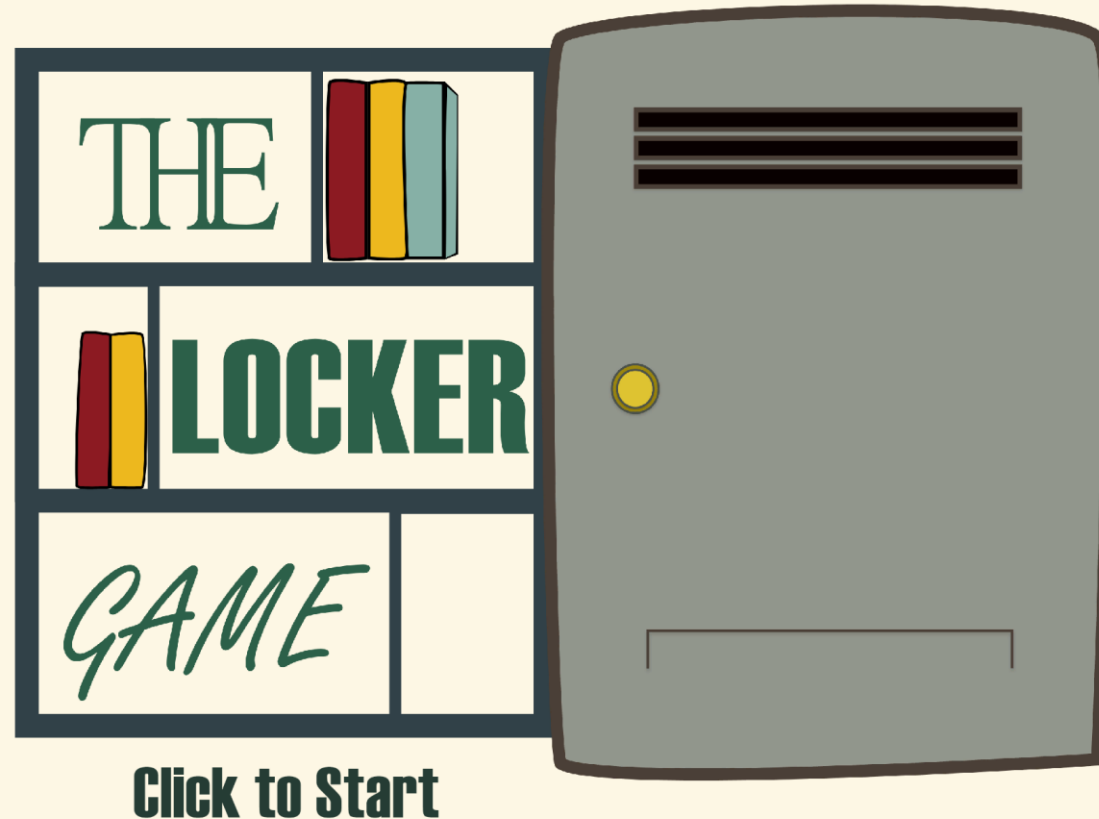

**If in Unity Play (access through Game Link).*

The Locker Game

How to play:

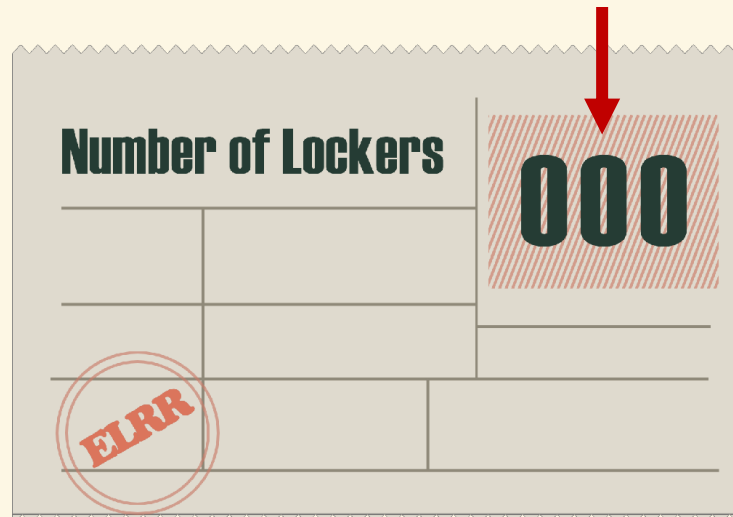

2. Right-Click, Touch or Press "Enter" to play.

The Locker Game

How to play:

3. Choose how many lockers you want to work with (1–999) by typing the number or selecting it on the numpad, then press “Enter”.

The interface shows a form with the label "Number of Lockers". Below the label is a grid of input fields. A red arrow points to the top-right field, which contains the number "000". A red circular stamp with the text "ELRR" is visible in the bottom-left corner of the form.

The numpad is a 4x3 grid of buttons. The first three rows contain numbers 1-9. The bottom row contains a circular arrow icon, the number 0, and the word "enter".

1	2	3
4	5	6
7	8	9
↻	0	enter

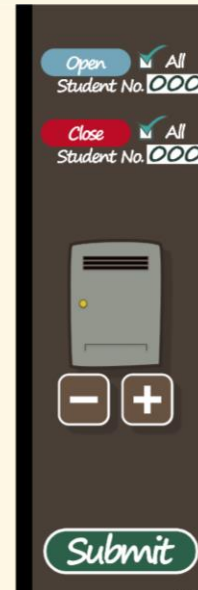

The Locker Game

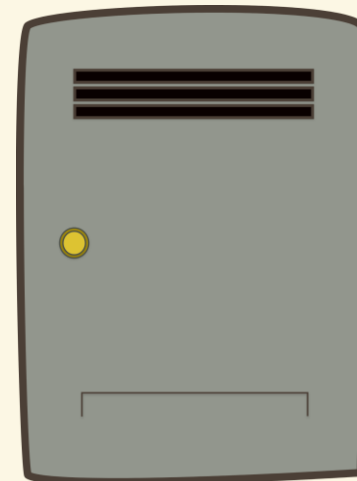

How to play:

‘-’ remove locker
‘+’ add locker

Submit your answer
(click or press “Enter”)

The image shows a vertical interface for the game. At the top, there are two buttons: a blue 'Open' button and a red 'Close' button. Each button has a checkbox labeled 'All' which is checked, and a text field labeled 'Student No.' with the value '000'. Below these buttons is a grey locker icon with a yellow handle. Under the locker icon are two square buttons: a brown one with a minus sign '-' and a brown one with a plus sign '+'. At the bottom is a green rounded rectangular button with the word 'Submit' in white.

Open/Close

You can open or close multiple lockers simultaneously.

Choose “All” or select a specific student by entering their student number, then press the Open/Close button. To enter a student number, uncheck All and input the number using the keyboard or numpad.
